

NOTICE OF BOARD MEETINGS

The time, place and date of regular meetings of the Board will be established at the Re-Organizational Meeting of the Board in accordance with the requirements of Education Law and the Open Meetings Law.

Board members will be notified of meeting changes or locations or time changes.

Notice to the public and news media will be provided at least 72 hours in advance of the meeting as required by the Open Meeting Law.

If the meeting is scheduled less than a week in advance, public notice of the time and place must be given to the public and news media “to the extent practicable” and posted conspicuously a reasonable time before the meeting.
