

**FIRE DRILLS**

The Board and the Superintendent of Schools shall be responsible for conducting fire drills in order to instruct students and staff in exiting the school building in an emergency in the shortest time possible and without confusion and panic.

Fire drills shall include instruction of fire drill exits and fire alarm boxes, as well as fire drill procedures.

Such drills or rapid dismissals shall be held at least twelve (12) times each year, eight (8) of which shall be held before December 1. At least one-third of all such required drills shall be through use of fire escapes on buildings where fire escapes are provided. At least two (2) additional drills shall be held during Summer School in buildings where Summer School is conducted, and one such drill shall be held during the first week of Summer School.

Each school of the District shall maintain a detailed floor plan for exiting the building during fire drills and real fires. Such floor plan and a detailed description of exits and routes to follow shall be included in each school's faculty handbook.
