

On Saturday, April 8th, Autumn, Gabby, (fifth graders at Sand Creek Middle School) Emma, Nick, and Lauren and Grace, (fifth graders at Lisha Kill Middle School), Dylan, Annie, and Janelle (fourth graders at Forest Park Elementary School) participated in a wind turbine design competition sponsored by GE and KidWind <http://www.kidwind.org/> . They each presented their design ideas to a panel of judges, and tested the performance of their turbine design in a wind tunnel. Accompanying them as team coaches were teachers Jim Brown 5/6 STEM teacher at Sand Creek and Lisha Kill, and fourth grade teachers Kelli Budney, Christopher Edwards, and Kelly Brooks, all from Forest Park.
