

TO: Parents and Athletes in the South Colonie School District
FROM: Joseph Guardino, Athletic Director
RE: Riding home with Parents after away athletic events

The following passage reads as is in the athletic code of conduct (yellow book) that you and your child signed at the start of the season:

Transportation: Members of athletic teams must travel to and from athletic contests on transportation provided by the school district. To use transportation other than provided by school, the athlete must present a written note, signed by the parent or guardian, to the building principal or grade-level principal during regular school hours. The note must be returned to the coach prior to the departure of the bus. Students are not allowed to drive themselves or other team members. A student may travel only with their parents, with prior approval.

Once completed, this form is to be on file with the athletes coach and it is the athletes responsibility to adhere to their teams policies on when they are allowed to depart at the conclusion of the contest.

Please allow my child _____ permission to ride home with me (parent/guardian)
from away contests for the entire: **Fall Winter Spring** season. (Please circle one)

Parent's Signature _____

Principal's Signature,
Grade Level Principal, _____
Or Athletic Director
