Dear Parents/Guardians of Incoming 5th Graders,

On Wednesday, March 22 from 6:30-7:30 PM, Lisha Kill Middle School will host an orientation program for incoming fifth grade students and their parents. Students will have an opportunity to meet members of our faculty and learn more about Lisha Kill. Our parent session will include an overview of the academic program and the many opportunities for students at Lisha Kill. At the conclusion of our parent presentation, you will have an opportunity to ask questions and obtain the information you need to assist your child.

The transition from elementary school to middle school is an important milestone in your child's life. It is my sincere hope that this brief orientation program will assist in making this a smooth transition for both you and your child. During the last week of August or first week in September, Lisha Kill will also host an evening program for students to move their supplies into their middle school locker. I will send home specific information about this event over the summer.

In order for us to plan for this program, please RSVP with Mrs. Linda Kennedy at kennedyl@scolonie.org or 456-2306, ext. 2000.

I hope that you are able to join us. I look forward to meeting you and your child.

Sincerely,
