

NYS Assessment Scores Spring 2017

How Parents Can Find Their Child's Score Reports

Dear Veeder Parents,

Listed below are guidelines and steps to determine your child's NYS assessment scores from last Spring 2017. If your child took both the ELA and MATH state exams, there will be two score reports.

Please log into ASPEN on the parent portal and follow accordingly:

- Log into ASPEN with your username and password
- Click the FAMILY top tab
- Click the STUDENT'S name
- Click DOCUMENTS on the side tab

Again, if your child took both the ELA and Math assessments last year, there will be two documents:

→**2016-17 ELA Score Report**

→**2016-17 Mathematics Score Report**

Click the disk icon under the DOCUMENT column for the report you would like to look at. The way the document will appear will depend on the browser that you are using at home. If you are using Chrome, a PDF will appear at the bottom of your screen. Once you click on it, you will see the report. If you are using Firefox or Internet Explorer, you will have the option to open the document or save it.

If you have any questions, you may contact the IT department at 869-3576.

Sincerely,

Nora Sullivan
Principal
